We and our third-party vendors may use automated technologies (including cookie identifiers on our Site), along with other collected information, to tailor ads or deliver content when you are on our Services or on other devices, apps or websites.

> Interest-Based Advertising

We (or our service providers) may use the information we collect, for instance, IP addresses and unique mobile device identifiers, to locate or try to locate the same unique users across multiple browsers or devices (such as smartphones, tablets, or computers), or work with providers that do this, in order to better tailor content and features and provide you with a seamless experience across devices. If you wish to opt out of cross device tracking for purposes of interest-based advertising, you may do so through your device settings. We may also use cross-device targeting to help identify our users and serve advertising. Please note that even if you opt-out, you may still receive advertisements from us. However, in that case, the advertising will not be tailored to your interests. Also, we do not control any of the above opt-out links or whether any particular company chooses to participate in these opt-out programs.
